

NEW 100 MBPS AT EMBASSY SUITES!

EXPERIENCE FAST WIRELESS HIGH SPEED INTERNET

EMBASSY SUITES®

Seattle - Bellevue

3225 158th Avenue SE
Bellevue WA, 98008
seattlebellevue.embassysuites.com

WHY:

WiMAX wireless technology.

Microwave technology is used in the regulated free licensed spectrum along with licensed FCC technology in order to provide the highest possible reliability. All equipment to the network is just as secure as any T-1 or telco line.

FREE High Speed for your next meeting!
